

Memorandum

Date: August 18, 1998

To: CALFED Management Team Subgroup (See Distribution List)

From: Lester A. Snow
Executive Director *K. Howard for LAS*

Subject: CALFED Management Team Subgroup Meeting

As decided at the CALFED Policy Group meeting last week, the requirement to release a Revised Draft Environmental Impact Statement/Report by December 1998 will require additional (possibly weekly) CALFED Management Team meetings. Rather than full Management Team meetings, we are scheduling subgroup meetings of state and federal agencies to discuss the schedule, the document review process, and policy issues which must be addressed to meet the December schedule.

The next full Management Team meeting is September 1, 1998. Due to vacation schedules, the earliest time we could schedule a subgroup meeting is August 31 from 10 a.m. to 12 m. in room 1155. We will arrange a conference call number if necessary. Please R.S.V.P. to Valerie Kuntze at (916) 657-2666 by August 24 to confirm your attendance. At the August 31 meeting we will try to schedule additional meetings in September and October.
